CIRCULAR

As you are aware that the ICDS scheme as a flagship programme has been launched with the objective to cater to the special needs of Women and Children. The scheme has been made universal in the country granting mandate to extend the benefits to each and every eligible person and all the categories belonging to down trodden groups. However, the past experience has revealed that the performance has not been upto mark as there are various bottlenecks. One of the main bottleneck in the implementation of the scheme has been identified in the form of weak monitoring system. In order to strengthen the monitoring mechanism of ICDS scheme, the Administrative Department has devised a monitoring protocol as conveyed vide letter No.SWD/JD/Meeting/01 dated: 13.02.2015 which is enclosed along with the Circular for implementation in letter and spirit.. The reports in this regard are to be submitted to this Directorate as per timeline fixed so that the same are consolidated and submitted to Administrative Department. Any default in this regard shall be viewed seriously and the deviant officer/official will have to face strict action under law.
